

Port of Luleå Tariff 2020

PORT TARIFF

Applicable from 1 January 2020 until further notice.

VESSELS

1. Calculation of fees

Each port call (arrival and departure) is charged per unit of gross tonnage (GT).

The port dues for vessels include a waste management fee of SEK 0.50 per GT and a fee for shipping protection of SEK 0.20 per GT.

2. Normal tariff

The normal tariff is SEK 3.70 per GT.

3. Environmentally differentiated tariff

3.1 Checks by the port authority that the criteria to be granted a discount are met will be based on National Maritime Administration procedures.

3.2 **Vessels without certificates will be charged the supplements indicated below for NO_x.**

4. Discount or supplement for emissions of nitrogen oxides

4.1 Vessels with emissions of nitrogen oxides (NO_x) below 5 g per kWh will be granted a discount on the above port dues of SEK 0.20/GT

4.2 Vessels with emissions of nitrogen oxides (NO_x) between 5 and 10 g per kWh will be granted a discount on the above port dues of SEK 0.10/GT

4.3 Vessels with emissions of nitrogen oxides (NO_x) exceeding 10 g per kWh will be charged a supplement on the port dues of SEK 0.20/GT

5. Ice supplement

An ice supplement will be payable over the period from 1 December to 15 May on condition that the port authority keeps an ice-breaker available for ice-breaking within the port area during this period.

5.1 For vessels that unload or load cargo, excluding passengers, the supplement will be 100% on the ordinary vessel tariff. This always includes assistance with a tug to and from the quayside.

6. Special provisions

6.1 Vessels which, after loading or unloading has been completed, remain in the port for more than five days will be charged a supplement per day or part of day at SEK 5.00 per metre of length overall.

6.2 The fees will be based on combined GT for tug and pusher/barge.

6.3 A half fee will be payable for vessels that pass through the port area.

6.4 For vessels that call at the port without dropping off or taking on board passengers or cargo, half port dues will be payable if the stay is less than 24 hour, full port dues if the stay is longer than 24 hours. After five days, port dues will be charged in accordance with 6.1.

7. Exempt from port dues

7.1 Naval, pilot, sea rescue, ice-breaking, fisheries vessels and vessels not carrying cargo or passengers, as well as vessels belonging to the port or used in its service.

7.2 Vessels calling at the port because of weather conditions endangering the safety of the vessel.

7.3 Vessels requiring repair which is necessary for the safety of the vessel. This does not relate to classification, inspection or similar.

7.4 Exemption from port dues under 7.2 and 7.3 will apply only if the stay in the port is shorter than 24 hours. Full port dues will be payable if the stay is longer than 24 hours. After five days, port dues will be charged in accordance with 6.1.
